Daily Duas Chrome Extension • Last Updated: December 29, 2024

We do not collect, store, or transmit any personal data. The Extension operates entirely on your local device.

## 1. Introduction

---

Daily Duas ("the Extension") is committed to protecting your privacy. This Privacy Policy explains how we handle information when you use our Chrome extension.

## 2. Information We Collect

---

### Personal Information

We do **NOT** collect any personal information, including but not limited to:

- Name
- Email address
- Location data
- Browsing history
- IP address
- Device identifiers

### Usage Data

We do **NOT** collect any usage analytics or telemetry data.

## 3. Local Storage

---

The Extension uses Chrome's local storage API (`chrome.storage.local`) to store the following data **locally on your device only**:

- **Theme Preference:** Your chosen display theme (dark or light mode)
- **Favorite Duas:** The list of duas you have marked as favorites

This data:

- Is stored only on your local device
- Is never transmitted to any external server
- Is never shared with any third party
- Can be deleted by removing the extension

## 4. Data Transmission

---

The Extension does **NOT** transmit any data to external servers. All functionality operates offline after installation.

## 5. Third-Party Services

---

The Extension does **NOT** use any third-party services, including:

- Analytics services
- Advertising networks
- Social media integrations
- External APIs

## 6. Permissions

---

The Extension requests the following Chrome permission:

### Storage Permission

- **Purpose:** To save your theme preference and favorite duas locally
- **Data stored:** Theme setting (string), Favorite dua IDs (array of numbers)
- **Location:** Local device only

## 7. Children's Privacy

---

The Extension does not collect any personal information from anyone, including children under 13 years of age.

## 8. Changes to This Privacy Policy

---

We may update this Privacy Policy from time to time. Any changes will be reflected in the "Last Updated" date at the top of this document.

## 9. Data Deletion

---

To delete all data stored by the Extension:

- Right-click the Extension icon in Chrome
- Select "Remove from Chrome"
- All locally stored data will be automatically deleted

## 10. Contact
